

## Speech Pathology Week 2020

*A Communication Hub resource*

*(gentle upbeat music)*

*1*

*00:00:01,835 --> 00:00:05,338*

*1.2 million Australians have  
communication disability.*

*2*

*00:00:05,338 --> 00:00:08,541*

*Every day, these Australians face the challenge of communicating*

*3*

*00:00:08,575 --> 00:00:11,811*

*with their friends and family and others in the community.*

*4*

*00:00:12,145 --> 00:00:15,482*

*For many, communication can  
be a real puzzle.*

*5*

*00:00:16,216 --> 00:00:19,452*

*Speech Pathology Week is an opportunity to make all Australians*

*6*

*00:00:19,452 --> 00:00:23,590*

*aware of those in our community  
who have a communication disability*

7

00:00:23,590 --> 00:00:26,893

*and of the challenges they face in communicating with others.*

8

00:00:27,460 --> 00:00:31,164

*It's why every day, Speech Pathologists work to ensure*

9

00:00:31,331 --> 00:00:34,701

*everyone in our community*

*is communicating with confidence.*
